Active Ingredients:

Coyote Urine 3.50%

Fox Urine 1.50%

Other Ingredients: 95.00%

Total: 100.00%

Net Contents 20 oz. (567g)

EPA Reg. No.: 80917-5

EPA Est. No.: 084871-NY-001

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

General:

Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a "dangerous" place and choose instead to move elsewhere. Shake-Away® Coyote/Fox Urine Granules creates the illusion that coyotes and foxes are present in your lawn or garden.

Application Directions:

Use Restrictions – This product is not for direct application to plants intended for human consumption (i.e., food plants). Apply only to the perimeter of where food plants are grown. To create a repellent barrier, apply this product to soil, ground cover, bark mulch, perimeter vegetation and non-food vegetation adjacent to food plants.

General use – Apply Shake-Away® Coyote/Fox Urine Granules twice a week for the first two weeks, then twice a month for maintenance. Sprinkle Shake-Away® Coyote/Fox Urine Granules lightly in and around areas where animals are causing damage, or in areas you want to protect.

In attics, basements, garages and sheds – Place two to four ounces of Shake-Away® Coyote/Fox Urine Granules in an open container. Place one container per every 8' x 10' area (80 sq. ft.) where animals are getting in, but in an area inaccessible to children. Replace every four to six weeks, or as needed.

For burrowing moles, shrews and voles – Sprinkle Shake-Away® Coyote/Fox Urine Granules directly into every hole you find in your yard, flowerbeds, along foundations, etc. For tunneling moles and voles, poke a two-inch deep hole every three to four feet along all tunnels. Sprinkle Shake-Away® Coyote/Fox Urine Granules into each hole and then cover with dirt.

Allow up to two to three weeks for Shake-Away® Coyote/Fox Urine Granules to take full effect.

Coverage:

Use one ounce of Shake-Away® Coyote/Fox Urine Granules for every 30 linear feet. Each bottle of Shake-Away® Coyote/Fox Urine Granules will cover up to 600 linear feet for 20 oz. bottle when applied as directed.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Storage: Store in a cool, dry place.

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

There's a Shake-Away® product for every situation.
